v.)	NOTICE OF SETTLEMENT

Alpha Geotechnical and Materials, Inc., et)

Defendants.)	

The parties have reached a settlement that resolves all of Plaintiff's claims in this matter. Plaintiff and Defendants are actively preparing a formal settlement agreement, and anticipate executing the settlement agreement by April 26, 2013. Within seven days after the parties' settlement agreement is executed, Plaintiff will voluntarily dismiss this lawsuit with prejudice.

Today (April 22, 2013) is the deadline for Defendants' response to the complaint. However, in light of the foregoing, and to minimize unnecessary legal fees, Plaintiff requests that the Court allow the parties to continue to finalize their settlement, without requiring Plaintiff to secure a responsive pleading or file an entry of default.

Respectfully submitted this April 22, 2013

Matheson & Matheson, P.L.C.
